**From the desk of the  
Director: Jennifer**

Reminder: The school is closed the **week of  
November 23rd** for Fall Break

Families,

As we enter into the Holiday season, with Thanksgiving next week, please remember all the families and staff at Bridges. We understand this is a time to see family, but with the surge in COVID we all need to be more cautious of who we come in contact with. We have 60 families that go to school here and 22 teachers with families of their own that would be affected if we had to close. If you are going to be around large groups of people, please consider quarantining before your return.

Remember the 3 W's from the CDC.

**Wear a mask - Wash your hands - Watch your distance**

**We are so thankful for all of our families!**
